## **(FKU)Favorites - beta release**

I have released the new beta edition of the (FKU)Favorites program.

This a much stronger, more robust version of the program.

Additional features include a Route Tracer utility.

You may log on to my FTP server at 74.178.56.62  
Log in as as Anonymous

If you have not already downloaded the program yet, you will need to download the entire folder:

(FKU)Favorites Install Files (beta)

This download is approximately 110 Mb

If you have already downloaded the (FKU)Favorites program, then you only need the beta update folder:

I Only Need The Beta Update Files

This download is only 3.3 Mb

If you'd just like to know what the program is about you can download one of the help files (doc or pdf) found within the folder:

I Just Want The Facts (Help Files)

Alternatively you may download the files from MegaUpload using the following links:

(FKU)Favorites Install Files (beta):

If you need help with the download, or if you'd like to receive the beta update files via email; feel free to contact me at:

Kadar@bellsouth.net

(please include "Favorites" in the subject area of your email)

You may also contact me with any questions, or comments you may have.

Enjoy the program,  
(FKU)Kadar
